

## Nube iO Retail Pricing Sheet

Prices are Ex GST

Prices are in AUD

Item Range	Part number	Description
Edge Edge-IO-28	Edge-IO-28	28 Input/Output Controller with multiple relay inputs. Runs on Linux.
Micro Edge	ME-LR-4	LoRa node with 1 pulse input, 3 x Universal Inputs. Battery or 24V AC/DC power supply.
Droplet	DL-THLM	LoRa wall mount sensor. Temp, Humidity, Lux, Motion
Droplet	DL-THL	LoRa wall mount sensor. Temp, Humidity, Lux
Droplet	DL-TH	LoRa wall mount sensor. Temp, Humidity
Connect - LoRa	Connect-LoRa	Edge LoRa Gateway accessory. Edge accesory in cover. Din mount, serial connection
LoRa Gateway	LWAY	LoRa Gateway complete package, Din mount. 5V power supply
24V DC Power supply	MDR-60-24	Industrial Grade power supply providing 240V AC to 24V DC. Din mount. 60W. 2.5A
5V DC Power supply	MDR-20-5	Industrial Grade power supply providing 240V AC to 5V DC. Din mount. 20W. 3A
PLC relay	RV8H	PLC SLIM LINE Interface Relay - 12V AC/DC
3G/4G Din-Rail Wireless Router	USR-G806-AU	Industrial Grade Din-Rail router for providing internet access to remote sites. 24V DC. Wireless 4G LTE router supports WIFI 3G
Bacnet Router	Bacnet Router 3P	Bacnet Router. Din Mount. 24V DC.
Industrial Gateway small sites	NUBEGATE-16	Industrial Gateway, 512MB RAM, 16GB storage, RS485, Power supply.
Industrial Gateway larger sites	NUBEGATE-APL	Industrial Gateway, 512MB RAM, 16GB storage, RS485, Power supply. Intel Processor 4 Core.
Plastic enclosure	ABS380W280H	ABS Enclosure 380W x 280H x 125D
Edge data collction package	Edge iO ready	Plastic Enclosure, 1 Edge IO 28, 4G Router, Power supply, Circuit protection, Plug base, Wired for site installation.
LoRa Data collection package	LoRa Ready	Wiring of 1 Nube iO LoRa Receiver, 4G Router, Power supply, Circuit protection, DIN rail, plug base in plastic enclosure.
Edge and LoRa data collection package	Edge-LoRa Ready	Wiring of 1 Edge controller, Edge LoRa Connect, 4G Router, Power supply, Circuit protection, DIN rail, plug base in plastic enclosure.
Wiring and assembly of plastic enclosure	Enclosure Wiring	Wiring of 1 Edge controller, power supply, Circuit protection, DIN rail, plug base in plastic enclosure.
